

North Elementary Compassion Pledge

There are many different people in this school. Each one has strengths and weaknesses, likes and dislikes, and each person wants to feel needed by others. No one person is better than any other. No person should be without friends and people who care about them.

I pledge to be a kind and compassionate person.

I pledge to treat others the way I want to be treated.

I pledge to stand up against those who want to harass others.

And with those who are harassed.

I pledge to make a difference at North Elementary School.
